SPOTS CAUSES ADVANCE

New York, Dec. 16 .- The cotton me drive against Studebaker, based presumably on announcement of the company's note issue, caused a moderate reversal, but this was soon more than recovered. Shippings and steels shared in the initial rise, but rails were irregular and utilities yielded to further pressure.

Trading was slmost at a standstill during the noon hour, but the tendency of prices was steadily upward. Steels, investment rails, motors and affiliated shares showed extreme gains of 1613 points and Utah Copper made full recovery.

CARLE Property of the control of the company's and steels shared in the initial rise, but rails were irregular to first that occan freight room was being offered at lower rates for January, February and March shipments out of southern ports. There was some selling here for New Orleans account, but this was believed to be on differences and brokers said they saw very little hedges selling around the ring.

Reports that freight rates had been reduced by \$1.25 per hunds and beautiful the control of the control of the call, making by should after the call, making net said up to 26.50c and March to 25.50c and March to ket opened steady at an advance of 12

selling around the ring.

Reports that freight rates had been reduced by \$1.25 per hundred pounds beginning with the February allotment stimulated the buying movement during the middle of the morning. January sold up to 28.65c and March to 25.76c, with active months generally showled and there was also some broadening at commission-house demand, but the advance met scattered realizing and trading became less active during middles, and there was also some broadening at commission-house demand, but the advance met scattered realizing and trading became less active during middles,

NEW ORLEANS COTTON.

New Orleans, Dec. 16.—After a declin of 5% points on the near months the cotton market today acquired a steady tone and on fresh buying for long account moved up to a net advance 14%30 points. Reports from the appendent of the country of th

influences.

With a few small recessions, unrealizing, the advance was conting. Toward the middle of the day the tring months were at a net advance of \$157 points.
